List of Publications, Charlotta Turner

Updated: 2013-09-13. H-index=18 (Web of science)

1. Peer-reviewed articles

2. Review articles, book chapters, books

3. Peer-reviewed conference proceedings

5

73. O. Werner, C. Quan, L. Wågberg, C. Turner, properties of superhydrophobic surfaces made by RESS technique, conference proceedings of the 9th International Symposium on Supercritical Fluids in Arcachon, France, 2009.

74. C. Turner, O. Werner, C. Quan, L. Wågberg, Superhydrophobic surfaces produce by rapid expansion of a supercritical solution containing wax, conference proceedings of the 9th International Symposium on Supercritical Fluids in Arcachon, France, 2009.

75. C. Turner, Eco-Sustainable Sub- and Supercritical Fluid Extraction, Biocatalysis and Particle Formulation, 11th European meeting on Supercritical Fluids in Barcelona, Spain, 2008.

76. C. Quan, G. Jacobson-Andrews, C. Turner, Green supercritical fluid nanotechnology, 11th European meeting on Supercritical Fluids in Barcelona, Spain, 2008.

77. M. Co, P. Koskela, P. Eklund-Åkergren, P. Sjöberg and C. Turner, Green high-pressure solvent extraction of health-beneficial compounds from birch bark, 11th European meeting on Supercritical Fluids in Barcelona, Spain, 2008.

79. P. Arapitsas, P. Sjöberg and C. Turner, Pressurised solvent extraction and HPLC/UV-MS/MS analysis of anthocyanins from red cabbage, 5th International Congress on Food Technology, Thessaloniki, Greece, 2007.

82. C. Quan, O. Werner, G. B. Jacobson, C. Turner, Particle formation by supercritical fluid technologies, conference proceedings of the 8th International Symposium on Supercritical Fluids in Kyoto, Japan, 2006.

4. Patents

5. Doctoral Thesis

6. Popular science articles
